# Psychotherapy versus Coaching

**Psychotherapy is a medical solution to resolving issues in your life. With the use of conversation and medications, doctors direct you to recall trauma and difficulties in your past.**

**In some cases this may help you overcome your past trauma and allow you to move forward.**

[Static Image]

**Coaching however looks forward and it starts NOW!**

**Leave the past behind and move forward towards your future!**

[Static Image]

# [Home Page 4/4]

That wasn't so hard.  
Now, select your preferences below.

I prefer my coach to be Gender [Male, Female, Other] in this Age Range [Any (starting from 20)].  
I expect my coach to have at least Number [1 to 25] years and have help at least Number [Any (multiple of 5 up to 100)] clients. I would like my coach to have a Highest Education and/or certified as a Select.

I would prefer communication by Type of communication. I live in the Time Zone [Eastern, Central, Mountain, Pacific]. Time Zone and would like a session on Day of Week during the hours of Time of day.

I speak and understand English but it would be nice to communicate to my coach in Language [PULLDOWN: French, German, Italian, Japanese, Korean, Mandarin, Russian, Spanish, etc]

[FIONA]

Continue →

Text

[Carousel Scrolling Text]  
[Scrolls after clicking "Continue"]

You are done!

Now, let me find you a coach.  
I'll be working hard to match you with some of our best coaches.  
In the next day or so (sometimes less) I will present two or more coaches,  
and then select which one to work with.

Thank You

[FIONA]

Finish

# Coach Matching

We found you the following coaches that are most accurate to your criteria.

Selecting their names will give you more details about the coach

Coach Name	Gender	Age	Experience in years	Experience Coaching Clients	Select Coach
Alena T.	Female	24	4 Years	45 Clients	<input checked="" type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>

[Once the Client selects his/her coach all other coaches on this list is grayed out unless the client unmarks the check box]

[The 'continue' button will be grayed out until the client selects at least one coach]

[Once the client selects a coach then pressing 'continue', a 'warning' pop-up will show]

Continue →

# [coach detail (popup)][tab1]

# Coach Matching

[This is a pop-up]

The screenshot shows a coach profile page with a blue header and footer. The top bar includes tabs for 'Bio' (selected), 'Overview', and 'Coach Details'. The 'Coach Details' tab has dropdown menus for 'View Coach's Schedule' and 'Ask a Coach a Question'. The main content area features a placeholder for a profile picture, three sections of placeholder text for the bio, and three descriptive paragraphs about the coach's background. A large blue button at the bottom left says 'Coach [First Name]'. A blue button at the bottom right says '← Return' and 'Select Coach'.

**Bio**

**Overview**

**Coach Details**

[Profile picture of coach]

Text Text Text

[Coach's First Name] is a [Gender] who is [Age] years old.

[S/he] has been coaching for [#] of years and worked with over [#] of clients.

[Coach's First Name] has graduated from [School Name] and has a [Degree/Certificate] in [Major].
